

Texas Association of Watershed Sponsors

Membership Application for 2021

The Texas Association of Watershed Sponsors (TAWS) has four membership categories:

SPONSORING ORGANIZATIONS (SWCDs, WCIDs, Cities, Counties and other political subdivisions of the State of Texas who have entered into long-term O&M Agreements with USDA- NRCS)

SPONSORING MEMBERS (elected and appointed representatives of Sponsoring Organizations)

ASSOCIATE FIRMS (consulting engineering firms and others who support the mission of TAWS)

ASSOCIATE MEMBERS (individual consulting engineers and others who support the mission of TAWS)

Membership dues are based on calendar years. Your support of TAWS will enable the Steering Committee and other members to work toward securing adequate state and federal funding for the Small Watershed Program and to work with TCEQ and NRCS on other issues. TAWS is a member of the National Watershed Coalition and supports the goals of that organization.

Over the years, TAWS has received donation from several Sponsors and others. For those entities who can make a donation in addition to their regular dues, TAWS is appreciative and will recognize them at future meetings.
