

The Importance of Collaboration

The Texas Association of Watershed Sponsors (TAWs) is a nonprofit organization whose members are Sponsors of PL-534, Pilot or PL-566 watershed projects within the State of Texas. Sponsors in Texas include over 300 units of local government including Soil and Water Conservation Districts, counties, cities, water control and improvement districts, watershed authorities and other special purpose districts.

Kevin Burns

Jilane Carper

Jim Clarno

Carolann Corado

Roy D Deen

John Elrod

Jerry Henderson

Larry Lehr

Daniel Meyer

Tommy Mitchell

Tom Sulak

Bill Dodson

Wacy Beck

Benefits of Membership

The purpose of TAWs is to secure State and Federal Funding for watershed sponsors, foster communications among its members, educate and provide information to legislative, governmental and other groups to have a positive impact on the Small Watershed Program.

All watershed sponsors benefit from the work and activities of the organization, but that work wouldn't be possible without member support. Individuals, consulting engineers, and others who have an interest in the Small Watershed Program may also provide support through donations, meeting sponsorships, and memberships. The 2026 membership application document is on the [third page](#) of this newsletter. If you have not done so already, please complete the form and send payment via check to the address included.

Calling All Future Steering Committee Members and Officers

We'd like to introduce Sue Lilly, our new TAWs Secretary/Treasurer. Sue is currently the District Clerk/Office Manager for the Lower Brushy Creek Water Control and Improvement District and has been a member of TAWs for several years. If you have any questions or need assistance, please contact her at 512-567-5143 or by email at sue.lilly@lowerbrushycreekwcid.org. TAWs has Steering Committee Member openings. Please contact Kevin Burns at burnauto@yahoo.com for further information.

SAVE THE DATES:

TAWs Annual Spring Meeting & ATSWCD Legislative Day at the Capital

We're excited to announce that this coming year's annual spring meeting will be held in conjunction with the ATSWCD Legislative Day at the Capital. On Monday, March 1st and Tuesday March 2nd, TAWs will hold it's regularly scheduled program. On Wednesday March 3rd, there is an opportunity to participate in the Legislative Day at the Capital. You are encouraged to attend on behalf of TAWs to promote and support the TSSWCB proposed budget and it's program. Special emphasis will be placed on the State Board's request for three exceptional items:

1. \$150 million for repairs, rehabilitations and upgrades of high hazard watershed dams
2. \$5 million for breach maps and assistance to develop and approve Emergency Action Plans for sponsors
3. \$1 million to provide technical support to SWCD's to assist with applications and administration for flood control grant funds.

In addition, TAWS will be supporting Plum Creek Conservation District's request to allow sponsors to be excluded from TCEQ's requirements for obtaining a Water Rights Permit to use water for maintenance or construction.

Come listen to agency reports from NRCS, TCEQ and TSSWCD, a Legislative update, participation in Legislative Day at the Capital and more! The full agenda and registration will be sent out later this winter. If you are interested in presenting please let Jim Clarno know- jim.clarno@lowerbrushycreekwcid.org
